

# Moving Internationally?

Find out how to simplify your journey and settle in smoothly with AL Migration

AL MIGRATION SERVICES

Powered by  moovaz

# Welcome Aboard

---

Congratulations on getting your first step of your relocation journey completed with us!

As part of our services, you can now enjoy your personalised relocation platform.

Plan ahead, browse services, get quotes and track progress all at one place!

## How Does It Work?

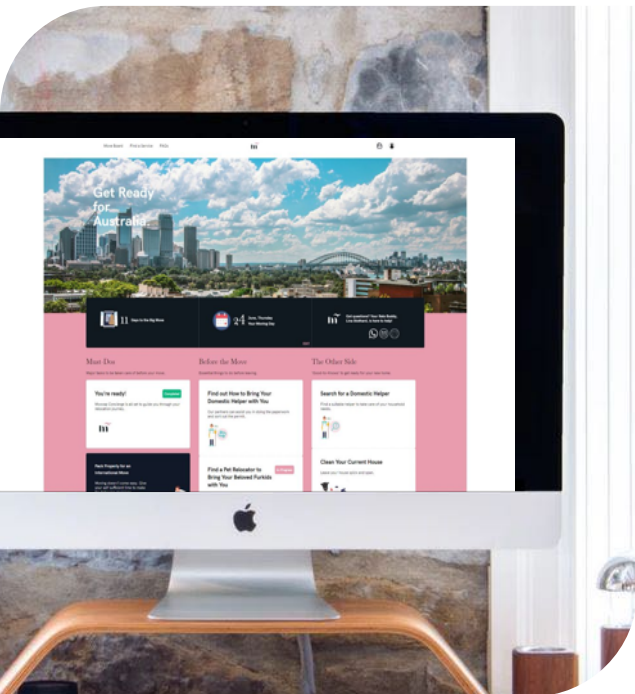

AL Migration partners with Moovaz, an award-winning relocation technology platform that enables global citizens like you to move with ease.

As a client of AL Migration, you are entitled to an exclusive account.

### What's Inside

- 3 Benefits of Relocation Platform
- 4 Services you may need on your journey
- 5 Get started

# How to Benefit from Relocation Platform?

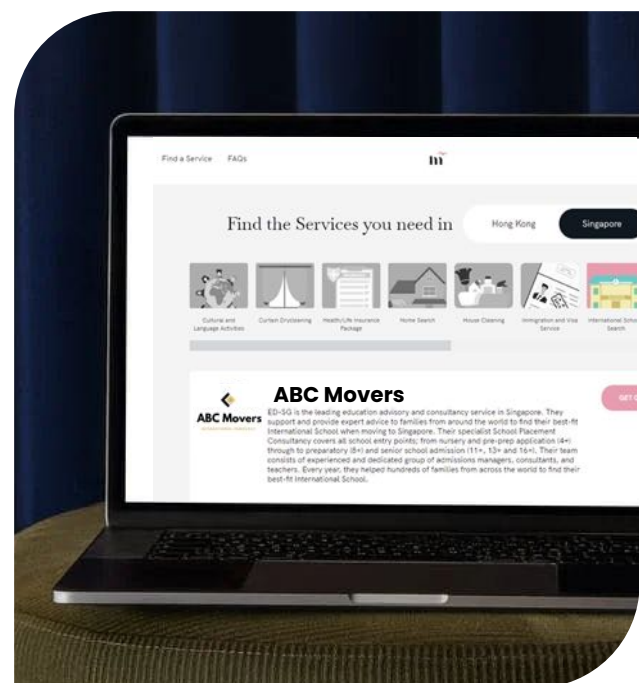

The relocation platform is digital tool to help you to manage your international relocation seamlessly.

Manage your relocation tasks through your personalised Move Board.

What's more, you can browse, get quotes, compare, pay and track relocation services required from your origin country all the way to your new home.

(See services available on the next page).

You can also chat with your **Relo Buddy**, who is available throughout your journey to plan, discuss, and get advice for your relocation.

# Services you may need on your journey

## Visa & Immigration

To get help applying for visas for yourself or family members before reaching your destination country

## Money Transfer

To transfer funds from your origin country, even after you've reached your destination country

## Pet Relocation

To relocate your pets globally including medical checks, shipping, documentation, quarantining and more

## Bank Account Setup

To open a bank account as you enter your new destination

## School Search

To connect with global agencies providing options for a wide variety of international schools

## House Cleaning

To hire cleaners to prepare your rental property for return to the owner or landlord

## Short-Term Property Rental

To find a place to stay before you settle a permanent home.

## Health Insurance

Stay safe and protected in the new country.

## Home Property Purchase

To look for a long-term residence at your destination

## Vehicle Renting

To find short-term or long-term car rental options

## Telco Services

To apply for Sim card and Wi-Fi before you even leave your origin country

## Relocation Concierge

Anything else you have in mind? Talk to our relocation concierge!
